Social media team:

We are wanting to be more viable on social media on the runs we all take part in. So it has been suggested that a team is put together to cover park runs/ races/ activities etc that are then posted on our social media/ sent to the newspaper. It will be rota based, so not down to one person.

Action: so far Charlotte and Beth have volunteered to help.

Social events team:

This will be discussed at the next AGM meeting in April. We are wanting a small team who will be responsible for posting social events, such as our Friday socials on our Facebook page.

Action: Jenna volunteered to help.

Flat caps:

Taking place on the 11th June.

This year it will be for The Christie, but next year we are planning on changing to support Overgate, and renaming the run Overgate 10k.
